

# It's That Time... The 18<sup>th</sup> Annual

## JES Caring Food Drive

**NOW - DECEMBER 20, 2017**

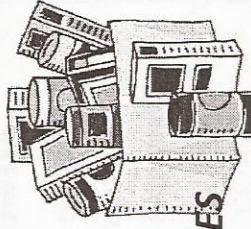

The Christmas season is near and we, at Jasper Elementary, have the opportunity to share with others who are less fortunate than ourselves.

**TO HELP YOURSELF, HELP OTHERS.  
WHATEVER GOOD YOU DO TRAVELS A  
TABLE AND RETURNS TO YOU MANY  
TIMES OVER- BUT REMEMBER, LIFE  
ISN'T ABOUT WHAT YOU GET, IT'S  
ABOUT WHAT YOU BECOME.**  
- Dennis Gaskill

*We are asking each student to bring food from the following lists:*

**CANNED FRUITS AND VEGETABLES    BREAKFAST CEREAL    BABY FOOD**  
**CANNED MEATS AND SOUPS    PEANUT BUTTER    INSTANT POTATOES**  
**SPAGHETTI SAUCE    DRY BEANS & PEAS    NOODLES AND RICE    DRINK MIXES**

All food will benefit the Community Food Pantry (C.A.R.E.S.) and the Community Outreach Center. These organizations provide food and other assistance for families in our community who are experiencing hard times. Food will be collected in boxes in the front lobby. The food will be picked up before the Christmas Holidays. Through this project, our students learn that citizens should work together and help our fellow man. Students will experience the JOY OF GIVING by sharing what they have with those who are without an adequate food supply. Students also begin to understand that, by helping others, they are helping themselves to become better people by demonstrating good character. Thank you for your support of this effort.  
Your contribution will be a blessing to many families in Pickens County.
