For the Week of September 11th — 15th

Math

- This week we will continue to understand and solve problems with multiplicative comparison. We will then explore factors, multiples, and prime numbers

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100

Please study multiplication facts at home!!! It is very important to have multiplication facts memorized before we move into division.

Reading

- **NOVEL STUDY:** "Charlie and the Chocolate Factory" by Ronald Dahl, Week 1

Science

Towards the end of this week, we will begin the Weather Unit. This includes the water cycle, weather instruments, forecasting, cloud types, data of weather conditions, and the difference between weather and climate. With hurricane Irma bearing down on the U.S., we will have discussions about the structure and impact of hurricanes as well.

Social Studies

We are slowly making our way towards the American Revolution. We have been discussing colonial times and The Columbian Exchange. This week we will compare George Washington and King George of England. We will also discuss our founding fathers.
