

Fourth Grade Newsletter

For the Week of September 4th—8th

Math

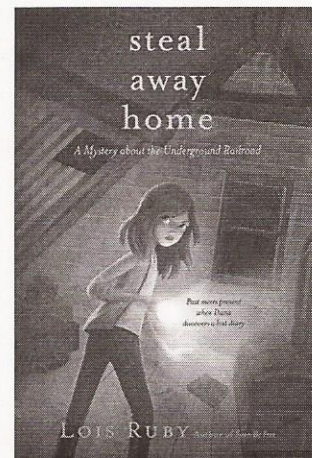

- This week we will understand and solve problems with multiplicative comparison.
- We will then explore factors, multiples, and prime numbers

Please study multiplication facts at home!!! It is very important to have multiplication facts memorized before we move into division.

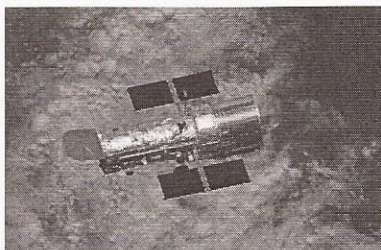

Reading

NOVEL STUDY: "Steal Away Home"
by Lois Ruby, Week 4

Science

We are coming to the end of our Space Unit. This week we will focus on asking questions and comparing and contrasting technological advances that have changed the amount and type of information on distant objects in the sky.

Social Studies

We will continue the American Revolution unit by explaining causes, events, and results of the American Revolution. We will trace the events that shaped the revolutionary movement in America: French and Indian War, 1765 Stamp Act, the slogan "no taxation with representation," the activities of the Sons of Liberty, the activities of the Daughters of Liberty, Boston Massacre, and the Boston Tea Party.
